

# Web design questionnaire

Do you have an existing web site? If so, what are the things you like and dislike about it?

What is/will be the purpose of your site?

How many pages will your site require? (eg Home, About Us, Services, Contact etc)

Who do you consider to be your main clients? (Corporate, individuals, families, small business etc)

What would be a successful outcome for your site?

Are there any websites whose design/look you like and aspire to be like?

Who do you consider to be your competition?

Do you have access to any high quality professional images you want to use?

Do you have an existing logo?

What do you consider to be your businesses best three attributes?

Have we missed anything?
